### Chapter 1 by Kennedy Jacobsen

"Yay it's Valentine's Day!" I said very sarcastically.

I have never really liked Valentine's because I don't have a boyfriend and it's a pointless holiday that people with boyfriends get to brag about. Anyway, I decided I wanted to spend my Valentine's Day by doing what I love, Shopping. After spending about 300 dollars for myself. I decided that I was ready to go back home. I called Uber to come and pick me up. All the app told me was that the guy's name was Justin. When the car got to where I was I recognized this guy. About 5 minutes of deep thinking of who the person was I realized that he is my old enemy, Justin Allen. Now that I am out of college, I have given up being mad at him.
